

# Recruiting & Hiring. Simplified.

## Hire better people, faster.

More than 60% of applicants will start an online application but leave without finishing it. And there's a whole lot more who never see your ad to begin with. It's difficult to attract and hire talented people, but New Hire Experience improves the process, and provides real results.

## Recruit. Hire. Onboard.

- Post or hundreds of job openings with a single click
- Enhance the applicant experience
- Organize your hiring process
- Provide collaboration across hiring teams
- Streamline onboarding
- Decrease cost per hire

### GET YOUR NEWLY HIRED EMPLOYEES ONBOARD, SUCCESSFULLY

Getting new hires immediately connected to your company in a streamlined, positive process is important to building your team and improving performance for your business. New Hire Experience provides a paperless, organized workflow where new hires enter all information, complete forms, and prepare for their new career.
